Rubber Ducks Race the Sedge

The waterways of Orrington will be flush with ducks during Old Home Week as the first-ever SedgeunkeDUCK Regatta takes wing on Saturday, July 15 at 11:30 a.m. This fun-filled community event is a fundraiser for the Orrington Historical Society and is sponsored by Bob's Kozy Korner store.

Individuals, families and businesses can take part in the SedgeunkeDUCK Regatta by sponsoring a rubber duck or a flock of rubber ducks for just \$10 per duck or 3 for \$25. Stop by Bob's Kozy Korner store during regular business hours to choose and register your duck(s) or arrive at the event at 10:30 a.m. to adopt your rubber duckie. Each duck is numbered. No skills are needed to train the ducks, as each rubber

avian is on its own and has an equal opportunity to finish first. The top three finishers will receive one-of-a-kind trophies and cash prizes: 1st place \$75,

2nd place \$50, and 3rd place \$25.

The bright yellow rubber ducks will all be released at the same time into the Sedgeunke Stream at the Fishway Picnic Area. Spectators can watch and cheer on their favorite quacker as the ducks make their way downstream and pass under the Johnson Mill bridge to the finishline.

The Brewer Stormwater Program will be on hand starting at 10:30 a.m. with their informative display and will stay to help ensure all ducks safely make it to the finish line. Bob's will have the grill fired up for those who want to have a picnic lunch of burgers and hot dogs.

Looking to the future, PERC is making important new investments to make its operations more efficient, recover more metals and other recyclables, and process carpet, bulky wastes and other specialty waste materials that typically have gone direct to landfill.

All of this means that PERC is committed to remaining a key part of Maine's integrated waste management system, offering innovative, cost-effective options for every step of Maine's Solid Waste Management Hierarchy and making sure that the right waste gets to the right place.

Partake of Petticoats and Petit Fours

For the first time ever, former Orrington resident, Judy Patterson, will be exhibiting her personal collection of vintage clothing. This unique collection will be displayed during Orrington's Old Home Week on Monday, July 17 from 1:00-5:00 p.m. in the historic Orrington Grange building.

Included in this local collection are delightful linens, daywear and dressy attire.

Judy is the daughter of Bob and Lil Glidden and the granddaughter of Fred and Marion Glidden from Orrington Corner. When Judy's seventh grade class performed "Little Women," they needed period clothing for the characters. Mrs. Glidden graciously supplied many of the costumes. After seeing how much Judy appreciated the period clothing, Mrs. Glidden gave her more outfits over the years.

Last summer, Judy unpacked the collections that had been carefully stored.

Judy Patterson's collection of local vintage clothing will be on display at the Grange on July 17

She lovingly washed the linen petticoats and aired out other articles of clothing. When showing them to her friends, there was a huge amount of interest. Thus began the process of talking about how other people should have a chance to see this collection of clothing from the early 1900s.

This one-time showing is free and open to the public. From 3:00-5:00 p.m. our senior Orrington residents are invited to stay for a special Elder's Tea in the Grange Hall. Tea and coffee will be served with finger sandwiches and petit fours. Seniors that would like a ride to the Elder's Tea may call Heather Bowden of the Old Home Week Committee at 207-482-9040.
