Rubber Ducks, RC Trucks and Antique Bikes Race for Fun

The roadways and waterways of Orrington will be filled with racers of all kinds during Old Home Week.

On Saturday, July 15, the first ever SedgeunkeDUCK Regatta will be held to benefit the Orrington Historical Society's missions. Bright yellow rubber duckies, available soon at Bob's Kozy Korner Store, can be sponsored for just \$10 each. The little critters will race in the Sedgeunkedunk Stream from the dam through the Johnson Mill Road tunnel to the finish line. Fans can stay for burgers and hotdogs cooked on Bob's grill! Our neighbors in the Brewer Wastewater Treatment Plant are assisting us with this fun and informative event.

Remote Control cars, trucks, planes and drones will take to the track and the skies at Perry's Field on Harrison Avenue. Check out this awesome action on Sunday, July 16 from 10 a.m. to 3 p.m. This event is sponsored by King's Mountain RC of Brewer.

Antique, special needs and regular bikes will take to the byways of Orrington and Holden on Saturday, July 22 in the Curran Homestead's Bicycle Rally Race. The race and display runs from 10 a.m. through 2 p.m.

OrringtonOldHomeWeek.com will update the info as it comes in!

Our Sponsors Are Part of Our Community

Old Home Week requires the help from our many friends, neighbors and area businesses. Without community support, this celebration could not happen. This is an awesome opportunity for you, your family or your company to receive positive exposure and help promote the Town of Orrington.

Please contact any of the OHW Committee members if you have any questions or would like to contribute to this annual community-wide festival. Donations of any size are welcome. Contact Keith Bowden, OHW Treasurer for details at 518-932-9429 or email kebo01@msn.com
