Old Home Week Committee 2022

Orrington.... The first town in Penobscot County and the first town in our hearts. Let's celebrate Orrington's and Maine's rich past, vibrant present and bright future with former residents, friends and neighbors. Let's also celebrate all we have to offer with the rest of the state... including the exciting economic growth potential, waterfront access, our wonderful villages and friendly, caring people.

Orrington Old Home Week 2022 festivities run July 15-25, 2022! Events will kick off with the incredible Endless Yard Sale on July 15-17. The Wicked Muddy Mainer is now on Saturday, July 2. The Orrington Public Library will have their annual Used Book Sale, Photo Contest, Cookbook sales and special events. Other OHW events include the Orrington Historical Society's Historical Presentation and SedgeunkeDUCK Regatta; the Curran Village Open House; Public Safety Building events, and of course, many delicious breakfasts, BBQs, suppers, ice cream socials and more! Sponsorship Levels

Old Home Week requires the help from our many friends, neighbors and area businesses. Without community support, this event could not happen. And that support does not go unrecognized. Participating sponsors will be recognized in some or all of the marketing campaign. This is an awesome opportunity for your company or organization to receive positive exposure and help promote the Town of Orrington. Sponsorship levels can be direct donations or in-kind value of products or services. Please contact any of the OHW Committee members if you would like to contribute. The sooner you sponsor, the more promoting opportunities there are!

Economic Impact

Old Home Week (OHW) events have attracted hundreds to thousands of people to our town, where our retail establishments register a huge uptick in business during Old Home Week. Many non-profits also benefit from the generosity of our visitors to carry on their missions. The Endless Yard Sale map, with over 100 yard sales listed, has been downloaded over 11,000 times in past years with an additional 2,000 printed! The weekend sale generates over \$150,000+ for our local economy and keeps waste out of the landfills! It's the Ultimate Recycling Event.

Community Involvement

The Old Home Week Committee is looking for businesses, organizations and folks to host events! It is only with the assistance of local businesses, organizations and families that the entire week can be filled with activities for our guests to enjoy.

OHW is the perfect vehicle to raise awareness of your organization's cause and/or fundraise at the same time! If your organization would like to host an event, please contact any committee member to get. The OHW Committee will advertise and promote the events as part of the whole OHW package. This will create a greater impact not only for the individual organization's event but also for our entire celebration.
